I recently had the pleasure of getting my eyelash extensions done at Therapeutix Wellness Center in Pleasant View, and I could not be happier with the results! The process was quick and easy, and my lashes look fantastic. Not to mention, the price was very reasonable. I would highly recommend Therapeutix to anyone looking for lash extensions. Thank you, Therapeutix!

The Therapeutix Wellness Center is the only place you should go for massages in this area! I had a great experience with them and would recommend their services to anyone. The shop has very clean facilities and excellent staff members who are professional but also personable in how they interact on each visit. I recommend their services to anyone looking for a good massage in Pleasant View, Utah.

Great Massages!! I've worked with several different massage therapists here- all of them are fantastic! Get the massage oils too- it's only a few dollars and well worth it!

I wish I could leave more stars. I had a massage with Mary Anne and she was amazing. So professional and really good at what she does. I've been searching for a good massage therapist for years and I can honestly say this was the best massage I've had! ❤️

Cait and Marlise was both so friendly and personable! I was greeted with a smile and experienced that the whole visit. They was both very professional and made me feel comfortable.

Marlise is hands down a 10/10!! Before going to her my lashes was falling out daily! 2.3. And sometimes even 4 lashes a day! Every time I brushed or washed my lashes several came out. But NOT with Marlise's work!! Not ONE lash has come out and it has been well over 24 hours. She was funny, friendly, professional AND does amazing work! I will not go to anyone else again!

Thanks Cait and Marlise!

I stopped in this morning on my way by to see if they had a couples massage time available. I am so glad they did. My massage therapist was Melissa Hopper and she was great. I just wanted a nice relaxing full body massage and she really relaxed me. She worked well on my problem areas. I really can't take deep massage and so she worked so smooth and persistent on those muscles and bent them to her will. I feel great.

The atmosphere was very nice and calming. The colors and aromas were all crafted for a nice experience. Even the receptionist was nice.

We will be back for sure. The price and the service were just what I hoped for. THANKS!
